Why Join Veritas Psychotherapy?

About Us

We help people understand and heal the root cause of their mental health challenges so they can experience long-lasting, transformational change. Our philosophy is that all quality therapy starts with a strong relationship. We utilize various psychotherapeutic modalities, but we believe that the starting point for transformational growth is a deep and trusting connection.

We equally value our relationship with our therapists and staff. Our goal is to create a space where therapists can grow and develop into the best they can be. We welcome creativity and do our best to support our team with the freedom to try new ideas.
